

EXPLORUM

LE PÉRISCOLAIRE EN FRANÇAIS | EXTRACURRICULAR IN FRENCH

Sciencational Saturdays

In partnership with one of Toronto's best bilingual schools!

Your child is curious and creative? Sciencational Saturdays offer a unique program to bring out his/her inner innovator in a real science laboratory where each child has a work station and elaborate science equipment appropriate for their age. All in **French!**

6 to 8 year olds develop a **liquid rainbow**, concoct **slippery slime** or build their own set of **planets** to name only a few experiments!

9 to 12 year-olds explore the principle of the **catapult**, suit-up as an **astronaut**, build their own **cars** and much more!

Two simple steps:

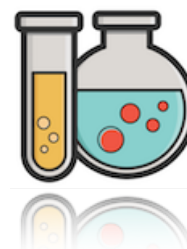

1. Book your child's **Sciencational Saturday** session
2. **EXPLORUM** leads a different experiment each week (some spanning over 2-3 weeks)

Price: \$360 + HST/student/session (payment by cheque to Explorum)

Dates: January 13 to March 3, 2018

6 to 8 year-olds: 9:00 to 10:30 a.m.

9 to 12 year olds: 11:00 a.m. to 12:30 p.m.
